DEBIT/CREDIT CARD AUTHORIZATION OF PAYMENT

For those of you who would like to use a debit or credit card to pay your monthly bill, I use the SQUARE Card Reader to process debit/credit card transactions. I can either swipe your debit or credit card at one of your visits, or manually enter your card number.

If you would like to pay your bill at one of your treatment sessions using a debit/credit card, a 2.75% service fee will be added to your bill for swiped transactions.

If you would like to pay your bill by debit/credit card each month, and want me to enter it manually vs. swiping it at a therapy session, please fill out the information below. For this option (manually entered cards) a 3.5% + \$.15 fee will be charged.

For either option, you can choose to receive your electronic receipt via text or email.
